For another special drawing.

Prize for **EVERY** participant donated
by **COLONY BRANDS, Inc. (formerly The Swiss Colony), Monroe**

MINIMUM PLEDGE \$75 PER VEHICLE

WHAT TO EXPECT

You will register in the morning and then you will be teched for basic safety equipment including what is listed on this flyer. You will then be given a cover sheet with information, a set of clues, time and poker stamp cards. The clues give you information on how to get through the on road/on trail course. There will be a map of the area in your goodie bag. Along the way, there will be Checkpoints and Poker Stops where you get your cards stamped. At some of these stops you will be encouraged, but not mandated, to fulfill some sort of a gimmick type activity. You can run with a group or run it by yourself—it is totally up to you. You must return by 5:00 with stamped Time and Poker cards. Remember, the main objective is to have fun and at the same time raise badly needed funds for the March of Dimes.

CAN'T MAKE IT?

If you cannot make it this year and would still like to support this event by collecting pledges for the March of Dimes, you can collect pledges and mail them with a pledge sheet to the March of Dimes, 5314 Wall St., Suite 110, Madison, WI 53718-7938 by September 27. For every \$100 you submit we will put a chance in the drawing for the Special Drawing for you.
